ANITA ROMERO

Software Developer & UI/UX Designer

ABOUT ME

I am passionate about programming and learning new technologies finding solutions through them, I also like to publish blogs of what I am learning.

EXPERIENCE

2021 - 2022 Janaury

Full-Stack Developer

Full-Stack Developer Jr.

I worked remotely as a Web Application developer for an agro-export e-commerce, my job was the user interface, user registration, payment method and contact form in a period of 3 months.

2021 - March
Front-End Developer

Front-End Jr. develoment as Freelancer

The FreeCodeCamp and Frontend Mentor programming courses and challenges were useful for me to start offering my own static websites.
